June Hill, BSN, RN, CNOR
Director of Robotics
Bon Secours Virginia Health System

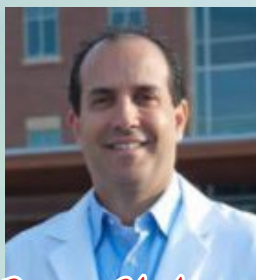

Rob Nelson, Jr., MD
Virginia Urology Center PC

Join us for an information-packed discussion of today's newest technology in health care. Participants will explore topics about minimally invasive procedures that patients may be putting off for various reasons. What used to keep us out of the game for weeks on end, may now just be a quick inconvenience.

Andy Vorenberg, MD, FACS
Colon and Rectal Specialists

Danny Shaban, MD
Dominion Women's Health
