Pre-Procedure Instructions

ALL Aspirin, NSAIDs, Coumadin, and other blood thinners must be stopped 1-7 days prior to your procedure. Please consult with your prescribing physician to make sure stopping your medication is acceptable. Your physician **MUST** send our office a clearance letter prior to your appointment stating they have approved you to stop the medication. **Failure to stop these medications as instructed will result in cancellation of your procedure.**

DAY OF PROCEDURE

- **NOTHING BY MOUTH EXCEPT PRE-APPROVED MEDICATIONS 8 HOURS PRIOR TO YOUR ARRIVAL TIME OR YOUR PROCEDURE WILL BE CANCELED.** This includes water, gum, candy, tobacco, etc.
- Administer **2 saline fleet enemas** the day of your procedure **2 hours prior** to your arrival time. The enemas are over-the-counter and can be administered back-to-back or 15 minutes apart.
**Please note fleet enemas provide immediate bowel cleanse within 2-5 minutes after administering. You may need to administer the enemas earlier to allow yourself enough traveling time.*
- Review the attached pages regarding which **medications to take/avoid prior to your procedure.** Hospital procedure patients should follow medication instructions provided by the facility.
- You are **NOT** permitted to drive 12 hours following your procedure, and you **MUST** have an adult family member or friend to take you to, remain on premises during, and take you home after your procedure.
